

Pupil Premium Funding at The Coombes Primary School

The Pupil Premium Grant (PPG) is additional funding given to schools to support children with their learning and development. Schools choose how to spend this money to make sure pupils who receive it have the best possible outcomes to raise the attainment of disadvantaged pupils of all learning levels and to close the gaps between them and their peers.

*If your child is eligible, they will receive this funding for the next 6 years.
Therefore, this extra funding could make a huge difference to their educational outcomes.*

The way schools spend the funding is detailed in the Pupil Premium Strategy.
