Action-packed, fun-filled and educational activities.

The Sunflower Club offers an exciting and wide choice of play, crafts and planned activities within our purpose-built club room, that also extends to the use of our hall, library, 2 playgrounds and ICT suite to ensure children have the space and variety of activities they enjoy. Themed weeks and special events are also a popular addition to our offering.

Our friendly, dedicated team are really proud of the wonderful play opportunities the children are provided with.

Each half-term, activities are planned for all zones and are supported by familiar staff according the children's needs and requests.

"WE LIKE THE THEMED WEEKS"

Healthy food provided:

Thanks to our in house chef, meal times are vital in bringing everyone together. We offer a wide range of healthy hot and cold snacks to ensure children have the energy they need to keep having fun! Where possible, the children are also involved in food preparation. Half-termly meal plans are provided to meet the dietary needs of the children.
