ADMISSIONS CRITERIA

Children with an Education Health and Care Plan (EHCP) or a Statement of Special Educational Needs naming The Coombes Nursery in the Plan or Statement will always be admitted.

When completing the Nursery Application Form, parents should decide under which of the following categories they wish to apply.

In the event of there being a greater demand for admission than there are places available, the following over subscription criteria will be applied in the order set out below.

Children with EHCP (see Note 2)

- Category 1:** Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they became subject to an adoption, child arrangements or special guardianship order (see Note 3).
- Category 2:** Families who have exceptional medical or social needs that make it essential that their child attends The Coombes Nursery rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 4)
- Category 3:** Children with a normal home address (See Note 6) in the catchment area shown on the map in the Appendix and with a sibling (see Note 5) on the roll of The Coombes CE Primary School at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- Category 4:** Children whose permanent home address is in the designated catchment area for the school as shown on the map in the Appendix (see Note 6).
- Category 5:** Any other children whose parent wishes them to attend The Coombes Nursery.

Appendix

The designated area of The Coombes CE Primary School

1. Shared designated area between Lamba Lane Primary and Shinfield Infant School.
2. Shared designated area between Farley Hill and The Coombes CE Primary.
3. Farley Hill Primary School designated area and determined area of 2nd priority for The Coombes CE Primary School.

Terms used are as defined below:

Note 1: "Parent" is defined in law (The Education Act 1996) as either:

- a) any person who has 'parental responsibility' (defined in the Children Act 1989) for the child or young person; or
- b) any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2: Children with EHCP

Following professional assessment an EHCP is a legal document, provided by a child or young person's Local Authority, which describes a child or young person's special educational needs, the support they need, and the outcomes they would like to achieve.

Note 3: Looked After Children

"A Looked after child" means a child in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A "child arrangements order" is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14).

A "special guardianship order" is one appointing one or more individuals to be a child's special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 4: Exceptional medical or social needs:

When applying under criterion ii (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring The Coombes Nursery. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child's or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 5: Siblings

By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 6: Home address

By normal home address, we mean the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child's parent/s or person with legal care and control of the child. We may ask for evidence of the normal home address.
