

The Coombes CE Primary School Newsletter

Lockdown Edition

26th February 2021
Volume 7

A message from the staff

A rainbow after a rainy day is a good sign! This rainbow appeared over The Coombes this week and a kind passer-by shared this beautiful photo. We hope that with the news of all children returning to school on Monday 8th March, that we soon see the sunshine and can find some sense of normality again. Many children still continues to enjoy Remote Learning, so please continue to encourage and support their learning from home until our return so that children are engaged and ready to learn. We will take every opportunity to support all children in re-connecting with their learning and engaging in social interactions again. We can't wait for their return and look forward to seeing everyone again!

Parent Meeting– COVID update

Information about the COVID Risk Assessment for whole school re-opening

Tuesday 2nd March—6– 7 pm

Parent Teacher Consultations

The structure of these meetings is a little different this term, with children learning from home. Therefore, these meetings are an ideal opportunity for parents to share their experience of their child's home learning with class teachers.

Further information and links to booking have been sent via ParentMail.

Please wear a face mask

A reminder to all parents that face masks are still required when coming onto school grounds. Please refer to gov.uk guidance for further information.

It is difficult for our staff to challenge you so **please support them by wearing your mask when on school grounds.**

If you are exempt from wearing a face covering, please inform the school office.

Masks should:

- cover your nose and mouth while allowing you to breathe comfortably
- fit comfortably but securely against the side of the face
- be secured to the head with ties or ear loops
- be made of a material that you find to be comfortable and breathable, such as cotton
- ideally include at least 2 layers of fabric (the World Health Organization recommends 3, depending on the fabric used)
- unless disposable, it should be able to be washed with other items of laundry according to fabric washing instructions and dried without causing the face covering to be damaged

This week's **Curriculum Explorer** theme of **Hidden Treasures** has been so exciting! Children in school have been making boxes to hide their hidden treasures while children outside of school have been finding hidden treasures, baking them and creating treasure hunts! Keep your eye out for next week's theme!

Curriculum Explorers

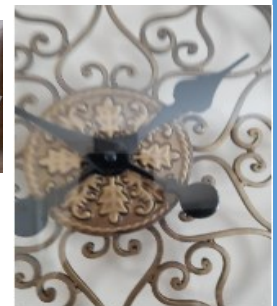

#CoombesCurriculumChallenge2021

This week's theme: **HIDDEN TREASURES**

Be as creative as you can – comment with a picture of your creation on the OurCoombes Facebook page. Submissions must be uploaded/ handed in by Monday 1st March 2021

a fossil of a bison tooth I found at the beech

Where and what is it
