**Date: April 2019**  
**Review Date: April 2020**

*A love of learning grows here*

## OUR SCHOOL'S VALUES AND BELIEFS

*A love of learning grows here  
(A farmer went out to sow his seed. Mark 4: 3-8)*

*The Coombes vision is about growing. Here we grow to*

*Love learning*

*Be the best we can*

*Respect and care for each other*

*Serve our community*

*Look after our environment*

*This School has a Christian foundation and our vision and values are based on this. We seek to achieve academic excellence and provide the good conditions described by Jesus Christ in the parable of the sower where each child can grow and thrive. We aim to see each child grow in character, confidence and understanding, grow in appreciation of who they are and acquire the skills needed to succeed in a changing world.*

### *Christian Values*

*Respect, Responsibility, Perseverance, Forgiveness, Wisdom, Compassion*

In line with this statement:

- All bullying, of any sort, is therefore unacceptable.
- Pupils who experience bullying will be supported.
- We recognise the effects that bullying can have on pupils' feelings of worth and on their school work, and the school community will actively promote an anti-bullying environment

### **1.0 Background**

Our intentions in producing this policy are:

- To express our belief that all pupils should be included fully in the life of the school.
- To provide a learning environment free from any threat or fear, which is conducive to the achievement of individual aspirations.
- To reduce and to eradicate, wherever possible, instances in which pupils are made to feel frightened, excluded or unhappy.
- To reduce and to eradicate, wherever possible, instances in which pupils are subject to any form of bullying.

*A love of learning grows here*

- To respond effectively to all instances of bullying that are reported to us.
- To establish a means of dealing with bullying, and of providing support to pupils who have been bullied.
- To provide support for pupils who are accused of bullying, who may be experiencing problems of their own.
- To ensure that all pupils and staff are aware of the policy and that they fulfil their obligations to it.
- To meet any legal obligations which rest with the school.

## **2.0 Our definition of bullying**

**2.1** There is no legal definition of bullying. But it is usually defined as repeated behaviour which is intended to hurt someone either emotionally or physically, and is often aimed at certain people because of their race, religion, gender or sexual orientation or any other aspect such as appearance or disability. Bullying can take many forms including:

- physical assault
- teasing
- making threats
- name calling
- cyber bullying

**2.2** Bullying involves dominance of one person by another, or a group of others, is pre-meditated and usually forms a pattern of behaviour. Bullying is therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult for victims to defend themselves against.

**2.3** It can take many forms but the main types are:

- Physical – hitting, kicking, taking another's belongings
- Verbal – name calling, insulting, making offensive remarks
- Indirect – spreading nasty stories about someone, exclusion from social groups, being made the subject of malicious rumours, sending malicious emails or text messages on mobile phones/social networking sites.

## **3.0 Creating an Anti-Bullying Climate in School**

Our school's Behaviour and Rewards Policy explains how we promote positive behaviour in school to create an environment where pupils behave well; where pupils take responsibility for each other's emotional and social well-being; and where they include and support each other. We also draw on the school's Curriculum and promote appropriate behaviour through direct teaching, and by creating an emotionally and socially safe environment where these skills are learned and practised. Our aim is to create a climate where bullying is not accepted by anyone within the school community. Our curriculum is used to:

- Raise awareness about bullying and our anti-bullying policy
- Increase understanding for victims and help build an anti-bullying ethos
- Teach pupils how constructively to manage their relationships with others

PSHE lessons, assemblies, role- plays and stories are used to show what pupils can do to prevent bullying, and to create an anti-bullying climate in school. Bullying will not be tolerated and we make this clear in the information we give to pupils and parents when they join our school. The Coombes Code is displayed around the school and in classrooms to remind pupils of the expected behaviour. We will publish our anti-bullying policy on the school web-site. Posters around school will tell pupils what to do if they are bullied, or see others being bullied, and information about Childline and other sources of confidential help will also be displayed. We will regularly ask pupils whether they feel safe in school and we will supervise, and try to eliminate any unsafe areas which they report to us. We will provide regular training/reminders for teachers and non-teaching staff on spotting the signs of bullying and how to respond to it.

#### **4.0 Strategies for Dealing with Bullying**

**4.1** In dealing with incidents of bullying we will use a range of strategies, selecting those appropriate to the circumstances from the following list:

- Cooperative group work throughout the school ~ To encourage children to work together, be tolerant of others' ideas, trust others and be more willing to listen.
- PSHE sessions ~ set time aside for pupils to take part in enjoyable games, activities and discussion in a safe environment where all opinions are valued.
- Circle of friends ~ To build relationships around a vulnerable pupil with the pupil's and parent's agreement to offer support and friendship.
- Befriending ~ To appoint a specific pupil(s) as a support / friend [appointed by a member of staff]
- Support group ~ To involve the bullied pupil, those involved in the bullying and bystanders to form a group to support the bullied pupil.

**4.2** Responsibility for change lies with those involved in the bullying.

- Mediation by adults ~ To establish ground rules that will enable the bully and the person being bullied to co-exist in school.

#### **5.0 Responding the Incidents when they occur**

**5.1** Pupils who have been bullied should report this to:

- Their identified trusted adult in school

- Any member of staff (Teachers, Teaching Assistants or Midday Supervisors)  
Their parents
- A school friend

**5.2** Pupils who see others being bullied should report this to:

- Any of the above

**5.3** Members of staff who receive reports that a pupil has been bullied should:

- Report this to a member of the senior management team (Head, Deputy Head or Senior Teacher) and
- Log all incidents on CPOMS

Reports of bullying will be logged by the class teacher or member of SLT. Where bullying is of a racist nature, we will report this to the Local Education Authority using the Racial Incident Report Form. All reports will be taken seriously and will be followed up by the class teacher or member of the SLT.

Work with children who have been bullied could involve some or all of the following:

- We will provide support to pupils who are bullied: They will be reassured that they do not deserve to be bullied and this is not their fault. We will assure them that it was right to report the incident. We will encourage them to talk about how they feel.
- We will try to ascertain the extent of the problem.
- We will engage them in making choices about how the matter may be resolved.
- We will try to ensure that they feel safe.
- We will discuss strategies for being safe and staying safe.
- We will ask them to report immediately any further incidents to us.
- We will affirm that bullying can be stopped and that our school will persist with intervention until it does.
- We will involve their friends / older pupils in peer support / the buddy system/ mediation

We may then adopt strategies from the following list as appropriate:

- We will speak with the pupil (or pupils) involved in bullying separately.
- We will listen to their version of events.
- We will talk to anyone else who may have witnessed the bullying.
- We will reinforce the message that bullying is not acceptable, and that we expect bullying to stop. We will seek a commitment to this end.
- We will affirm that it is right for pupils to let us know when they are being bullied.
- We will adopt a joint problem solving approach where this is appropriate, and ask the pupils involved to help us find solutions to the problem. This will

encourage pupils involved to take responsibility for the emotional and social needs of others.

- We will consider sanctions under our school's Behaviour Policy.
- We will advise pupils responsible for bullying that we will be checking to ensure that bullying stops.
- We will ensure that those involved know that we have done so.
- When bullying occurs, we will contact the parents of the pupils involved at an early stage.
- We will keep records of incidents that we become aware of and how we responded to them.
- We will follow up after incidents to check that the bullying has not started again.
- We will also work with pupils who have been involved in bullying others to ascertain the sort of support that they themselves need.

There is a tendency, often quite a natural one, to want to investigate an incident and "get to the bottom of it." Sometimes this will be entirely appropriate. There will be other occasions where an extended investigation is actually unhelpful and where a problem solving approach will be the most effective response. Our policy will be to use our discretion to respond flexibly and in an appropriate way to each incident

## **6.0 When tougher measures are needed.**

If necessary, we will invoke the following range of sanctions that are in line with the school's Behaviour Policy. These include

- Removal from the group (Within the class)
- Withdrawal of break and lunchtime privileges
- Withholding participation in school events that are not an essential part of the curriculum.
- In extreme cases we will also consider fixed term and / or permanent exclusion from school.

## **7.0 Responsibilities**

**7.1** Everyone within school is expected to:

- Act in a respectful and supportive way towards one another
- Adhere to and to promote the objectives of this policy.

**7.2** Pupils are expected to:

- Report all incidents of bullying and suspected incidents that victims may be afraid to report.
- Support each other and to seek help to ensure that everyone feels safe and happy and nobody feels excluded or afraid in school.

### **7.3 Parents can help by:**

- Supporting our anti-bullying policy and procedures.
- Encouraging their children to be positive members of the school community.
  - Discussing with their child's teacher any concerns that their child may be experiencing bullying or if they are unhappy in some other way.
- Helping to establish an anti-bullying culture outside of school.

### **8.0 Bullying Outside of the School Premises**

Schools are not directly responsible for bullying that occurs off the premises but we know that bullying can occur outside the school gates and on journeys to and from school. The bullying may be done by pupils from our own school, by pupils from other schools or by people who are not at school at all. Where a pupil or parent informs us of bullying off the school premises we will:

- Talk to pupils about how to avoid or handle bullying outside of school.
- Talk to the Headteacher of any other school whose pupils are bullying.
- Talk to the police where this is deemed necessary.

### **9.0 Concerns, Complaints and Compliments**

We recognise that there may be times when parents feel that we have not dealt well with an incident of bullying and we would ask that this be brought to the Headteacher's notice. If the Headteacher cannot resolve these concerns informally, parents can raise their concerns more formally through the school's Complaints Procedure a copy of which may be viewed on the website or a paper copy obtained from the school office. We would also be pleased to receive Compliments – feedback from parents when things have gone well.

### **10.0 Evaluating our Policy**

We will evaluate our anti-bullying policy using the following measures:

- The numbers of incidents that are reported to staff over a given period.
- Pupils' perceptions of bullying in school through structured discussions in class time.
- The number of days of absence which are thought to arise as a consequence of bullying.
- We will investigate patterns of absence to ensure that children are not taking unnecessary days off school due to fear of being bullied.
- The number of complaints and compliments that we receive from parents.
- From the comments made by visitors and other people connected with the school.

### **11.0 Ownership of this Policy**

This policy is agreed by staff and governors of the school. The policy applies to all staff and to all pupils, whether temporarily or permanently on the school roll. The Headteacher is responsible for introducing and implementing this policy. However, all staff, all pupils and their parents have an active part to play in the development and maintenance of the policy, and in its success. One of our Governors will take a special interest in bullying within school.
