

Day 2

Task: Answer the following questions using your own experiences from first days back at school:

1) You wake up in the morning after a long summer holiday. Your first thought is that it is a school day - how do you feel?

.....
.....
.....
.....
.....

2) Next you think about getting dressed and putting on uniform for the first time in weeks - is it easy as you don't have to think about what to wear? Or do you hate not wearing your own clothes?

.....
.....
.....
.....
.....

3) Your mum or dad or carer calls up to you - you have to hurry up. Are you excited or still tired?

.....
.....
.....
.....
.....

4) You think about getting to school. Will it be great to see all your friends again? Or perhaps you feel a bit nervous about your new class? Do you know who your new teacher is?

.....
.....
.....
.....
.....

5) Do you always look forward to having someone new or do you usually wish it could be the same as last year, with the same routines?

.....

.....

.....

.....

.....

6) You're in the playground and the bell rings to line up, how do you feel at that very moment?

.....

.....

.....

.....

.....

7) Do you feel the same as Judy Moody? Or are your feelings completely different to hers?
