

Friday 20 March

Dear Parents and Carers,

Please note:

ParentMail has had technical issues. If you cannot access ParentMail, please check our website and 'Our Coombes' Facebook page for latest updates.

*****The Coombes is closed from Monday 23 March 2020*****

We will be open to a significantly reduced number of children with key worker parents.

If neither parent is a key worker:

- As advised by the government, **School will be closed from Friday 20th March**
- Please see your ParentMail titled 'Home Learning Resources'
- Updates will be posted online every two weeks from teachers.
- We have created a discussion 'group' on *Our Coombes* Facebook page, please join this to discuss and receive support about the online work from other parents and Coombes Staff.
- The school will be open with a skeleton staff, if you have any questions, please email into admin@coombes.wokingham.sch.uk and we will try and answer your query as soon as possible.

We do not yet know when we will re-open but please rest assured that we have staff available to help and answer your questions. Check your ParentMail, <https://www.thecoombes.com/> and 'Our Coombes' Facebook page regularly for updates. We are still here to do our best to support you and your children even when they cannot come into school.

Thank you for your patience and support during this time.

Kindest Regards

The Coombes Office.
