

Opening

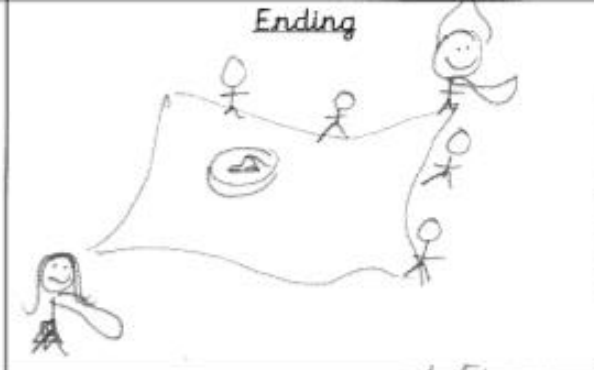

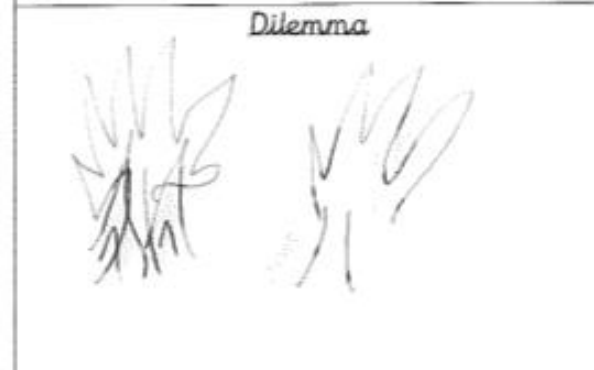

The amazing Cherry Girl was excitedly making a cherry pie for the island's summer picnic.

Build-up

Evil flame epid that the beach was full of happy people. In her jealousy she made a cunning plan to destroy their day.

Dilemma

She flew to the ~~beach~~ volcano and jumped inside to collect up the steaming lava.

Dilemma

Then she whizzed to the beach where the people were picnicing and started shooting out lava to set the tall trees on fire.

Resolution

Quick as a flash Cherry Girl shot out her cherry stones and Flame fell to the ground with a thump.

Ending

Cherry Girl questioned Flame on her evil plan and realised she was lonely. So she used bucket of water to put out the flames and invited Flame to join in their picnic.
