United Kingdom	Made up of England, Scotland, Wales and Northern Ireland.
Great Britain	The island of Scotland, Wales and England.
English Channel	The sea between England and France.
North Sea	The sea is off the coast of Scotland and England.
Irish Sea	The sea that separates Great Britain and Ireland.
Atlantic Ocean	The second largest ocean on Earth that lies between the United Kingdom and America.
Compass	A tool for finding direction.
Tier 2 vocabulary	
Direction	The way someone or something is going.
Compare	To look at similarities and differences.
Research	To study and investigate a topic.
Key Information	
Seasides then and now	Today most people go abroad for a seaside holiday. In Victorian times most people would go to a British seaside, because flying to another country wasn't an option. They believed the seaside air was good for you.
Victorian seaside	Sunbathing wasn't in fashion in Victorian times so Victorians would go to the beach fully clothed. Some beaches were divided for men and women.
Bathing machines	These were carriages in which women would change into their bathing costumes. A horse would pull them into the sea.
Ice cream	Ice cream is a treat that was enjoyed at the seaside in Victorian times and is still enjoyed today!

Knowledge item 1

The countries and seas of the United Kingdom.

Knowledge item 2

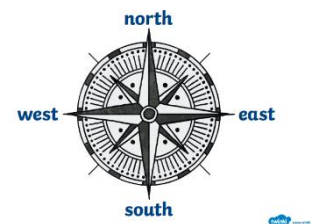

Research a UK seaside town.

How is this town different to where you live? What would be the benefits and disadvantages of living in a seaside town?

Knowledge item 3

Use directional language.

To know the compass directions North, East, South and West.

Knowledge item 4

To create a treasure map and use the directional language learnt to describe where the treasure is hidden.
